ABOUT THE EXPO

The first edition of Plastech India Expo being held concurrently with Wastetech India Expo was hosted at the Codissia Trade Fair Complex - Coimbatore from 11th December 2025 to 13th December 2025.

The event will be inaugurated on the 11th December 2025 in Coimbatore Trade Fair Complex, Coimbatore at 10:00 am by Thiru Mano Thangaraj Minister of Milk & Dairy Development of Tamil Nadu, Shri Ajoy Thipaiah - President - The United Planters Association of Southern India (UPASI), Shri Rajesh B Lund President of The Indian Chambers of Commerce & Industry, Shri M. KarthiKeyan President, CODISSIA , Industry representatives, government officials and association members.

This much awaited unique co-located event brought together stakeholders from across the Plastic Technology , Waste Technology and Recycling industries under one roof. Featuring over 100+ exhibitors from across the nation, showcasing cutting-edge products, raw materials, machinery, and technologies. With a focus on sustainability and innovation, the event addresses the evolving needs of the industry while promoting eco-friendly practices and advancements.

FOCUS OF THE EVENT

The focus of the event was on Plastic, Polymers, Packaging, Machinery, Plastic Manufacturers, Injection & Blow Moulding Companies, Extrusion Manufacturers, Raw Material suppliers, Equipment Suppliers, Distributors, Recyclers, Automation & Robotic providers for plastic industry, Software providers, Packaging designers, Plastic Component manufacturers, Waste Management Solutions, Recycling Technologies, Waste-to-Energy Solutions, Wastewater Treatment, Recycling Machinery, Recycling Machinery and allied industry

Offering a platform that gave exposure to both plastic technologies and waste/recycling solutions under one roof—saving time, travel, and effort while gaining 360° industry understanding, the event has been well received by the industry with about 10000+ business visitors from across the nation.

WHY COIMBATORE

Tamil Nadu, one of India's industrial hubs, plays a significant role in the country's plastic technology market. The state is a vital player in both the manufacturing and innovation aspects of the plastic industry, hosting a range of activities.

The event will give opportunity to the manufacturers of Plastic technology and allied industry to explore new markets both within the state of Tamil Nadu as well as the neighbouring regions.

Hosting the event in Coimbatore offers significant strategic advantages due to the city's strong manufacturing ecosystem, MSME presence, and extensive industrial buyer network. The region has a high demand for plastic components, moulded products, packaging materials, and polymers, making it an ideal destination for a focused B2B plastics industry exhibition.
